

State Properties of New Mexico, LLC

190 Central Park Square Ste. 301 505-661-4896 • Los Alamos, New Mexico 87544 • U.S.A.

Good afternoon,

Per our conversation this morning, we are in compliance with the current regulations. We change filters and do preventive maintenance on a quarterly basis and use appropriate filters. Mervin Filter not option for these units, nor recommended.

Additionally we opened exterior ventilation intake to the max to insure positive outside air flow of air into the Document Center at Copper Pointe

If I can be of further assistance, please give me a call

Sincerely,

David C. Sparks
